

Today's homework guideline:

1. Set up a timer for **5 minutes**
2. Have your student to solve these problems as fast as they can within 5 minutes.
3. When time's up, stop solving the problems.
4. Your student is done for today's math homework.
5. Parents, please help to count how many questions your student got correct from this homework sheet and write it on the top right. Thank you.
